(C1) All that you touch - And all that you see

All that you taste - All you feel

And .. love .. hate - All you distrust - All you save

And .. give.. deal ... buy - Beg, borrow or steal

And all y.. create .. destroy-- And all that you do .. say

And all that you eat - And everyone you meet

And all that you slight - And everyone you fight

And all that is now.. gone - And all that's to come

And everything under the sun is in tune

But the sun is eclipsed by the moon
