1. In this proud land we grew up strong ---  
We were wanted all along  
I was taught to fight, taught to win -  
I never thought I could fail  
No fight left or so it seems  
I am a man whose dreams have all deserted  
I've changed my face, I've changed my name  
But no one wants you when you lose

2. Though I saw it all around -  
Never thought I could be affected  
Thought that we'd be the last to go  
It is so strange the way things turn  
Drove the night toward my home  
The place that I was born, on the lakeside  
As daylight broke, I saw the earth  
The trees had burned down to the ground
