

RUN / Snow Petrol

I'll sing it one last time for you - Then we really have to go
You've been the only thing that's right - In all I've done
And I can barely look at you - But every single time I do
I know we'll make it anywhere - Away from here

Intro Am . Fj . I G ... I
II: Am . Fj . I G ... I
Am . Fj . I G ... :II

Light up, light up - As if you have a choice
Even if you cannot hear my voice
I'll be right beside you dear
Louder, louder - And we'll run for our lives
I can hardly speak I understand
Why you can't raise your voice to say

Why you can't raise your voice to say?
