Easy lover - She'll get a hold on you, believe it

Like no other -

Before you know it, you'll be on your knees

She's an easy lover

She'll take your heart, but you won't feel it

She's like no other

And I'm just trying to make you see

She's the kind of girl you dream of

Dream of keeping hold of

You'd better forget it - You'll never get it

She will play around and leave you

Leave you and deceive you

Better forget it - Oh, you'll regret it

2. No, you'll never change her, so leave it, leave it

Get out quick 'cause seeing is believing

It's the only way - You'll ever know, oh

REFR: She's an easy lover ... (wie oben)

You're the one that wants to hold her

Hold her and control her

You'd better forget it - You'll never get it

Oh, she'll say that there's no other

'Til she finds another

Better forget it - Oh, you'll regret it

And don't try to change her, just leave it, leave it

You're not the only one, ooh, seeing is believing

It's the only way - You'll ever know, oh
