

We built this city  
We built this city on rock and roll  
Built this city - We built this city on rock and roll  
1.

Say you don't know me or recognize my face  
Say you don't care who goes - to that kind of place  
Knee deep in the hoopla, sinking in your fight  
Too many runaways eating up the night

*Marconi plays the mamba, listen to the radio, don't you remember?*

*We built this city, we built this city on rock and roll*  
*We built this city, we built this city on rock and roll*  
*Built this city, we built this city on rock and roll*

Someone's always playing - corporation games  
Who cares, they're always changing - corporation names  
We just want to dance here, someone stole the stage  
They call us irresponsible, write us off the page

*Marconi plays the mamba, listen to the radio, don't you remember?*

*We built this city, we built this city on rock and roll*  
*We built this city, we built this city on rock and roll*  
*Built this city, we built this city on rock and roll*

It's just another Sunday - in a tired old street  
Police have got the choke hold, oh,  
then we just lost the beat

3.

Who counts the money - underneath the bar?  
Who rides the wrecking ball - into our guitars?  
Don't tell us you need us - 'cause we're the ship of fools  
Looking for America, coming through your schools

Don't you remember? (Remember)

*Marconi plays the mamba, listen to the radio, don't you remember?*
